

3<sup>RD</sup> EDITION

sbcb

French Society for Cell Biology

# CELL LA VIE

21 - 23 October, 2026  
Pasteur Institute, Paris

## KEYNOTE SPEAKERS

Jan Ellenberg, Stockholm - Sweden  
Johanna Ivaska, Turku - Finland

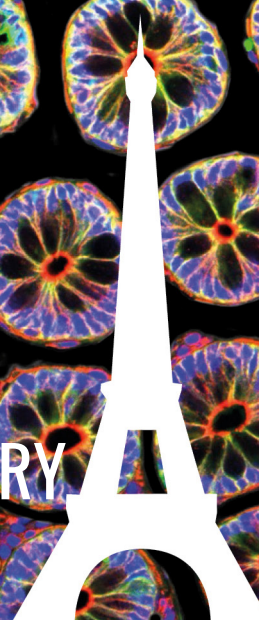

## INVITED SPEAKERS

Bruno Antonny, Valbonne - France  
Emmanuelle Bayer, Bordeaux - France  
Jacky Goetz, Strasbourg - France  
Simonetta Gribaldo, Paris - France  
Jana Helsen, Heidelberg - Germany  
Dagmar Iber, Zurich - Switzerland  
Sandra Iden, Hombourg - Germany  
Benoit Ladoux, Erlangen - Germany  
Marine Laporte, Lyon - France  
Delphine Muriaux, Montpellier - France  
Matthieu Platré, Montpellier - France  
Jörg Renkawitz, Munich - Germany  
Aurélien Roux, Geneva - Switzerland  
Shiro Suetugu, Nara - Japan  
Iva Tolic, Zagreb - Croatia

## ORGANIZING COMMITTEE

Bénédicte Delaval, Montpellier  
Mélina Heuze, Paris  
Stéphanie Lebreton, Paris  
Étienne Morel, Paris  
Marc Tramier, Rennes

PRELIMINARY  
PROGRAM

© Guillaume Carlier, Institut Curie, Paris

## Wednesday, October 21<sup>st</sup>

**01:00 - 01:30pm Welcoming participants & Registration**

**01:30 - 02:00pm Meeting Introduction**

**02:00 - 02:45pm Keynote Lecture**  
**Cell matrix interactions in cancer progression**

*Johanna Ivaska*

### **02:45 - 04:15pm - SESSION 1** **Cell adhesion and environment in homeostasis and disease**

**02:45 - 03:15pm Nanoscale tracking of tumor metastasis**

*Jacky Goetz*

**03:15 - 03:45pm Communication 2**

*Sandra Iden*

**03:45 - 04:30pm Short talks selected from abstracts**

**04:30 - 04:45pm Coffee break around partners**

### **04:45 - 06:15pm - SESSION 2** **Origin and evolution of cellular complexity**

**04:45 - 05:15pm Communication 3**

*Jana Helsen*

**05:15 - 05:45pm Communication 4**

*Simonetta Gribaldo*

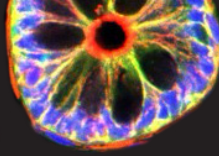

**05:45 - 06:15pm Short talks selected from abstracts**

**06:15 - 06:45pm Cocktail around partners**

---

**06:45pm Welcoming general public**

**07:00 - 08:00pm General Public Lecture**

## Thursday, October 22<sup>nd</sup>

**08:30 - 09:00am** Welcoming participants

**09:00 - 09:30am** JCJC SBCF 2026

*Mathieu Platre*

### 09:30 - 10:30am - SESSION 3

#### Membrane dynamics, trafficking and biomolecular condensates

**09:30 - 10:00am** The many faces of intracellular vesicles

*Bruno Antonny*

**10:00 - 10:30am** Molecular basis for cellular compartmentalization by an ancient membrane fission mechanism

*Aurélien Roux*

**10:30 - 11:00am** Coffee break around partners

**11:00 - 11:45am** Short talks selected from abstracts

**11:45 - 12:15pm** Flash Poster Talks

**12:15 - 02:15pm** Lunch break around partners - Meet the editors  
& Poster Session 1

### 02:15 - 03:45pm - SESSION 4

#### Cellular interfaces: from cell communication to host microrganism crosstalk

**02:15 - 02:45pm** Crossing cell-cell boundaries : how do plant cells communicate ?

*Emmanuelle Bayer*

**02:45 - 03:15pm** HIV diverts lipids and cortical actin during assembly

*Delphine Muriaux*

**03:15 - 03:45pm** Short talks selected from abstracts

**03:45 - 04:00pm** Coffee break around partners

3<sup>RD</sup> EDITION

# CELL LA VIE

 **sbcf**  
French Society for Cell Biology

21 - 23 October, 2026  
Pasteur Institute, Paris

## Thursday, October 22<sup>nd</sup>

**04:00 - 05:45pm - SESSION 5**  
**Cytoskeleton and cellular dynamics**

**04:00 - 04:30pm** **Intercellular communication via extracellular vesicles derived from cellular protrusions**

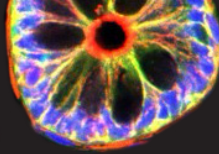

*Shiro Suetsugu*

**04:30 - 05:00pm** **Communication 11**

*Jörg Renkawitz*

**05:00 - 05:45pm** **Short talks selected from abstracts**

**06:45pm** **Dinner Cruise**

## Friday, October 23<sup>rd</sup>

08:30 - 09:00am Welcoming participants

### 09:00 - 10:45am - SESSION 6 Mechanobiology across scales

09:00 - 09:30am **Mechanics across scales: how physical forces shape epithelial form in development and disease**  
*Dagmar Iber*

09:30 - 10:00am **Communication 12**  
*Benoît Ladoux*

10:00 - 10:45am Short talks selected from abstracts

10:45 - 11:15am **Coffee break around partners**

11:15 - 11:45pm **Communication 13**  
*Iva Tolic*

11:45 - 12:15pm **SPONSOR TALKS**

12:15 - 02:15pm **Lunch break around partners - Meet the editors & Poster Session 2**

### 02:15 - 04:15pm - SESSION 7 Frontiers in cellular imaging: from subcellular structures to multi-cellular systems

02:15 - 03:00pm **Keynote Lecture**  
**Imaging the molecular processes of cell division across scales**  
*Jan Ellenberg*

03:00 - 03:30pm **Communication 14**  
*Marine Laporte - JCJC SBCF 2025*

03:30 - 04:15pm Short talks selected from abstracts

04:15pm **Closing remarks & Prizes**
